Foreword

Through the open "Doors" of M.H.S. there is carried on a multitude of activity. The staff is opening these doors and with pride in presenting the 1954 Manhigan. It is written for, about, and by the students. We have here recorded events of the past year as we have watched them, lived them, and will remember them.

Dedication

To

HERMAN D. BISHOP

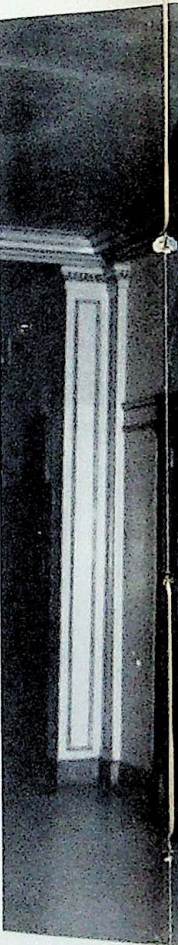

To Herman D. Bishop, advisor and counselor to each and every student and graduate, do we, the graduating class of 1954, dedicate our yearbook. We dedicate it to him for his unceasing aid to youth throughout his year as an instructor and for his desire to see that the best for the students was done, even though it sometimes meant his taking a set-back. Rather than letting those times of discouragement get the best of him, he worked that much harder.

Mr. Bishop was born in the year 1895 at Ringgold, Ohio. He attended Ohio University where he received his Bachelor of Arts degree after which he taught Social and Economic Problems at Wilkesville, Ohio, until he entered the army in 1917. Top Sgt. Bishop served 14 months in a Signal Corps Battalion in France. After the armistice, owing to his scholastic record and his commanding officer he was allowed to take a post-graduate course at the University of Nancy in Nancy, France.

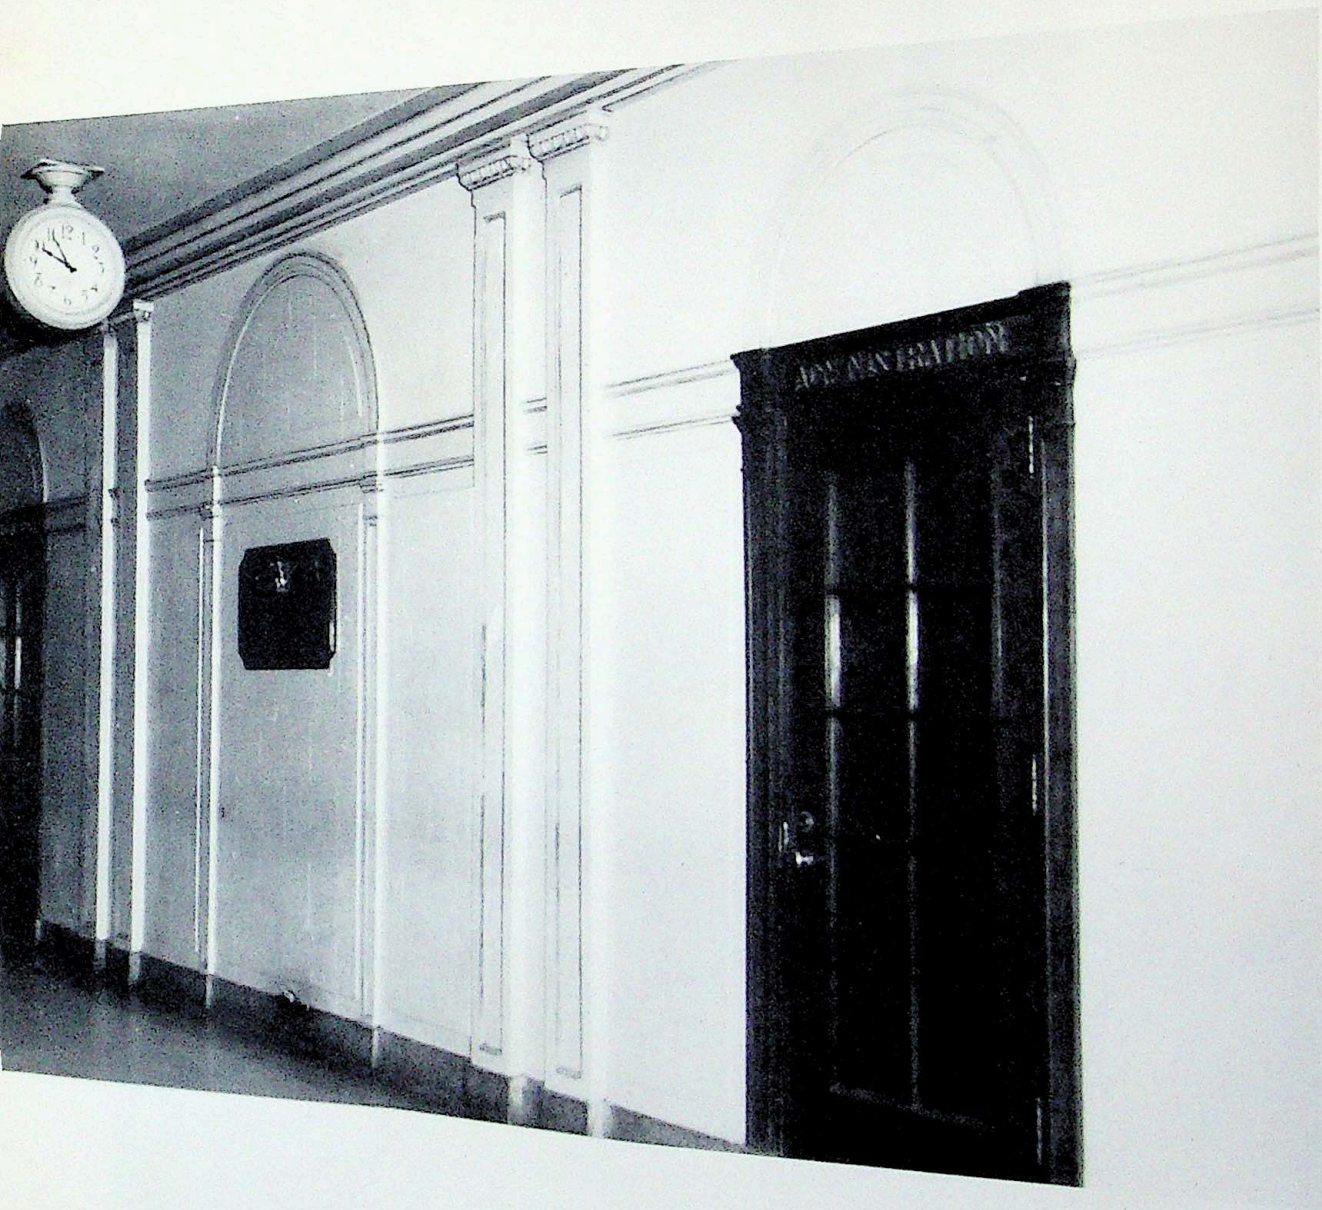

Mr. Bishop taught for a year at Fredericktown, Ohio, and then went to McConnelsville, Ohio, where he was principal from 1920 to 1924. In the fall of 1924 he came to M.H.S. to teach Social and Economic Problems; two years later he was appointed assistant principal. In 1936 Mr. Bishop received his Masters degree from Ohio State University. Mr. Bishop was the first president of the Mastersingers, is a member of the Masons, and is president of the Board of Klieningsers.

His never-ending aid and assistance to us has made him respected and admired by all.

Faculty

SUPERINTENDENT

MR. W. L. MILLER

A smoothly run administration is an asset to any school system. For the past nineteen years Mr. W. L. Miller has headed the Mansfield schools. He calmly handles all the many situations that come to his desk.

BOARD OF EDUCATION

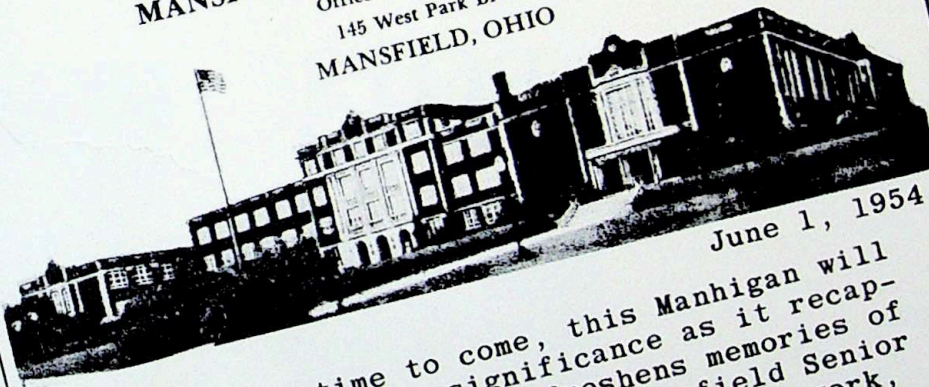

PRINCIPAL

MR. FRED STAUB

We welcome to Mansfield Senior High School one whose training and experience admirably fit him for his present position. This is a most exhausting and time-consuming job, and he is responsible for the future progress of the school and its students.

MANSFIELD SENIOR HIGH SCHOOL
Office of the Principal
145 West Park Blvd.
MANSFIELD, OHIO

June 1, 1954

In the time to come, this Manhigan will take on increasing significance as it recapitulates experiences and refreshes memories of the years you have spent at Mansfield Senior High School. The vast amount of hard work, the spirit of co-operation, the fun, all ingredients in its preparation, typify, in a broader sense, the recollections which I hope you will have of your school life.

If the same spirit of wholesomeness you have evidenced this year continues to enrich your lives, I feel very hopeful about your future happiness and future accomplishments. May we further work together toward the continued betterment of our school and our community.

Fred Staub

ASSISTANT PRINCIPAL

MR. GEORGE SHERMAN

Taking over the reins as Assistant Principal this year is George Sherman. We all know how hard he works, quietly carrying out his duties with assurance and efficiency.

DEAN OF BOYS

MR. HERMAN BISHOP

The statement "a friend in need is a friend indeed" is surely fitting to our Dean of Boys. He helps us find solutions to our problems and is never too busy to be of service to any student. Besides putting forth much effort towards this time-consuming duty, he also instructs interesting and profitable classes of social and economic problems which exist in our country.

DEAN OF GIRLS

MRS. LUCILLE LOWRY

Occupying one of the highest positions on the administrative staff this year we have Mrs. Lucille Lowry. Not only does she give much of her time to this, but she also supervises the Attendance Office.

In September 1952, a new group of students entered M.H.S. to become the Sophomore Class. Their first job as a group was to elect officers and an advisor. Mike Guy was chosen President; Bruno Femia, Vice-President; Myrna Sorgen, Secretary; Tom Nichols, Treasurer. As projects for the year, the class collected class dues and sponsored a dance. Under the leadership of Mr. Paul Hailey, the class began its way towards the Senior year.

The officers for the new Junior class were elected after the candidates for the various offices presented speeches to the class in a Campaign Assembly. Those elected were Bob McIntire, President; Bruno Femia, Vice-President; Lolita Heichel, Secretary; and Tom Nichols, Treasurer.

The Junior Class selected eight candidates for Homecoming Queen. From this number Carol Linton was elected by the student body as our 1953 Homecoming Queen. As her attendants, Evelyn Rucker, Charleen Appleman, Ingrid Glassner, and Dixie Cline were chosen.

With the semi-formal dance in April the Junior Class ended its business and social events of the school year.

In the fall Ohio's finest Marching Band proudly presented shows during the football half-times. Will we ever forget the Sousa show, the Ohio Sesquicentennial show, or the one honoring our Queen? Every morning rain or shine, they practice for an hour and a half. When basketball season came, the Pep Band played at the games and assemblies. Band members under the able leadership of Mr. Tatgenhorst and Mr. Sonntag, deserve much credit for their hard work.

In 204 every day sixth period, the Manhigan staff members could be found working on your yearbook. In the fall, the dummy, or the first draft of the book, was assembled. After that, underclassmen pictures were taken; and Mr. Armen was kept busy snapping pictures of the various activities and groups. In the early spring, we could be seen mounting and identifying pictures, and writing copy, the printed paragraphs like this one. Later the book was assembled and sent to the printer and the binder also attached the cover which Senior members had previously selected. We surely hope you enjoy your 1954 Manhigan as much as we enjoyed editing it.

Under the capable leadership of Mrs. Whiting, her Christmas Basket Committee supervised their filling in the various home rooms. Every person in the building had the opportunity of bringing food, clothing, toys, and money as contributions. Each year between 900 to 1000 junior boys from all over the state of Ohio are chosen to attend Buckeye Boys' State, Camp Perry, Ohio, sponsored by the American Legion. Here they learn the fundamentals of government, and in conducting their own campaign, learn a lot about the seamier side of politics. Once there, each boy is made a member of either the Federalist or Nationalist Party. From then until after the primaries there is little time lost talking with boys from the other side. When the primaries are over, everyone is very buddy-buddy with everyone, but it is an uneasy kind of friendship. Election day is one mad scramble. After election things settle down into a sort of routine, and everyone is friends again.

The thing one remembers most about Boys' State is the huts. The huts were erected during World War II to house the German P.O.W.'s. Four boys are put in each hut. Much could be improved in the huts: the roofs leak, the electricity does not always work, the windows are loose and rattle when the wind blows, the beds are either very hard or sag hopelessly in the middle.

There are little things one remembers: the city which tried to make the main highway into a toll-road, the food, the campaign speeches, taps, the heat, eating ice cream in the rainstorm.

All this and much more is Boys' State.

GOODBYE

"Twenty Seniors brilliant in college satire. If you hadn't known that you were in a high-school auditorium, you would have thought you were on Broadway." This was one of the many favorable compliments paid to 1954's Senior Class on their production of "Goodbye, My fancy," a comedy in three acts by Fay Kanin. Under the fine leadership of Mrs. Martha Thomas and Mr. Earl Heasley, the play was presented March 25 and 26 sell-out crowds. All those people who worked behind the scenes deserve a good deal of the credit because, without their services, the play could not have been a success.

Dear Miss Wilson:

When I received the five photographs I could see that it was going to be a difficult task to choose your Manhigan Queen from such a bevy of attractive young ladies; however, after taking into consideration the hair-do, balance of features, and sincerity of expression, I made my decision. The girl in the photograph that is marked accordingly is my choice for Manhigan Queen.

Hoping that no one is offended, I remain

Sincerely yours,

Tyrone Power

Reading from left to right the football coaches are Al Maccioli, Tom Pierson, Head Coach Bill Peterson, and Earl Bruce. These men, in addition to their thorough knowledge of football, were fine sources of moral support to the team.

The story of the Mansfield football season may be told very briefly; chumps the first half, champs the second. However, the hot second half usually more than made up for the cold first half, as witness the six wins and a tie out of the ten games played.

The caliber of play was such that although no one player was named for All-Ohio, no less than six were mentioned on the various lists.

The Tygers were captained this year by big Jack Eliot, 200-pound senior. Although the job of being a captain sometimes falls into an honorary business, Jack took the job seriously and was a real inspirational leader when the going got rough.

One of the season's most exciting games was that between the Tygers and the Rangers of Lakewood, in which the Tygers came out on top by a score of 26 to 19. Both teams were held to two touchdowns during the first three quarters but let loose in the final 11 minutes with scoring rallies. Lakewood's hopes for a stalemate were shattered in the last 18 seconds when Pudge Henkel connected with end Kermit Wilson for the final touchdown. In the fourth quarter Mansfield also scored on a 75 yard run by Ed Avery and a 16 yard run by Willie Mack. Jim Thompson scored in the third quarter on a plunge.

Completely outclassing Cleveland East, the Tygers rolled to a 35 to 0 triumph. East made only one scoring threat in the game, and that right after the opening kick-off. Jim Thompson scored three times, twice on runs and once on a pass from Henkel. Henkel also passed to Dick Yoakam for a TD and scored himself on a quarter back "keep" play. Jerry Lorentz booted all five extra points. Brilliant defensive play in the line, highlighted by the work of Bernie Yoha at end, held East to 80 yards rushing.

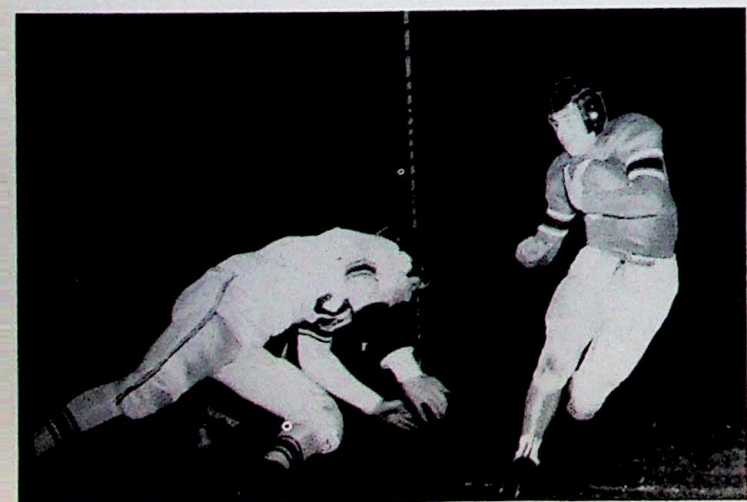

The well-conditioned Tygers rallied in the last 17 minutes of playing time to defeat Akron South 16 to 7. Penalties and fumbles cost the Tygers heavily in the first half as they lost the ball several times in scoring territory. However, they bounced back in the second half with a solid defense and a sparkling offense. Touchdowns were scored by Ed Avery and Jim Thompson on short plunges after sustained drives.

Leading 21 to 6 going into the final quarter, the second ranked Warren Harding Panthers had to extend themselves to the limit to eke out a one point victory over the fighting Tygers. The Tygers scored twice in that frantic finale, once on a draw play with Jim Thompson carrying and the other on a 30 yard pass from Henkel to Mack. After the third Mansfield TD the Panthers consumed almost six minutes with eleven plays, and that was the ball game. Mansfield met with several bad breaks in their attempt to upset Warren. Several times penalties came at costly times, Ron Sherrer had a punt blocked, and several of Henkel's passes skittered off the fingers of receivers.

Although playing below par, the Tygers still had enough in reserve to whip Cincinnati Elder 27 to 7. Ed Avery ran back a kick-off 86 yards, Mack had a 70 yard punt return and caught a TD pass, and Fowler had the fourth Td. Tom Todd pulled in three wayward Elder passes, and in the extra point department, Jerry Lorentz had three for four. On debit side Mansfield fumbled five times, recovering none. Elder scored in the first quarter on a pass which caught the Mansfield secondary napping.

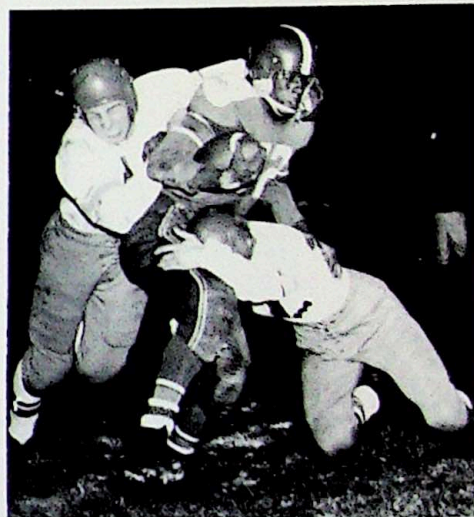

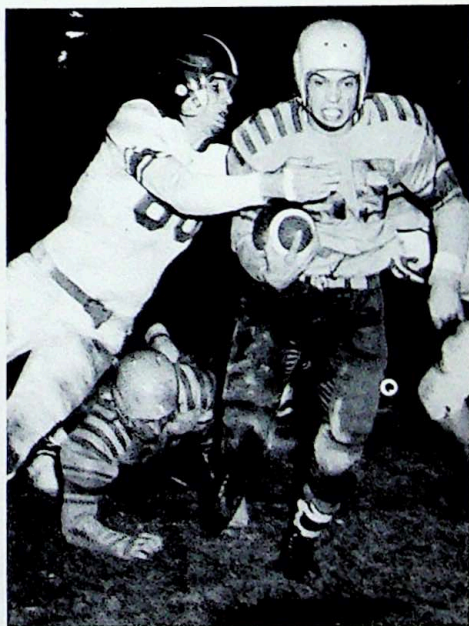

Hopes for a Mansfield victory had run high among the more than 4,000 fans who had journeyed to Massillon to see what was to be the game of the week. Instead they saw a fighting team get trounced 41 to 7. Massillon's offensive attack completely dominated the play as three Massillon men each scored twice. Again and again the Massillon ball-carrier was far past the line of scrimmage before the befuddled Mansfield team knew where the ball was. Mansfield's only score came in the fourth quarter after a 21 yard pass from Henkel to Avery on a 2 yard plunge by Thompson. Jerry Lorentz added the extra point.

Roaring back from the Massillon massacre, the Tygers easily disposed of Sandusky. Jim Thompson and Willie Mack teamed up for 259 yards with Thompson scoring three times on runs of 40, 7, and 49 yards. Jerry Lorentz booted four straight extra points for the surging Tygers. In the last few minutes Coach Bill Peterson used almost the entire squad as he tried to keep the contest from becoming a rout.

8,000 football fans saw a finely-tuned Mansfield football team overpower Canton McKinley in the final meeting of the two schools for Mansfield's sixth win in eight starts this season.

Four different Tyger players scored touchdowns in the one-sided game. Quarterback "Pudge" Henkel engineered all of the touchdowns as he completed five of eight passes, two for touchdowns to end Clayton Smith and back Dick Yoakam. Speedy Ed Avery scored on a 15 yard slant and Willie Mack crossed into paydirt of a 22 yard run.

This homecoming game with Toledo Waite, although officially a tie, will always be considered a Mansfield victory. With about five seconds left in a scoreless first half, Henkel passed to Whitey Smith deep in the corner of the end zone. The referee ruled that Smith was out-of-bounds when he caught the ball and that therefore the pass was incomplete. A large section of Mansfield rooters disagreed heartily with him.

In the second half the Tygers rolled 65 yards with Willie Mack going into pay dirt. Jerry Lorentz, Tyger extra point ace, split the uprights. Later in the game Waite drove 64 yards for a score and converted the extra point. The game ended 7-7.

The Tygers, displaying their finest form of the season, came up with win number seven against the Springfield Wildcats. Willie Mack led the Tyger scoring with three touchdowns, one on an 82 yard jaunt. Jim Thompson and Dick Yoakam counted a touchdown apiece.

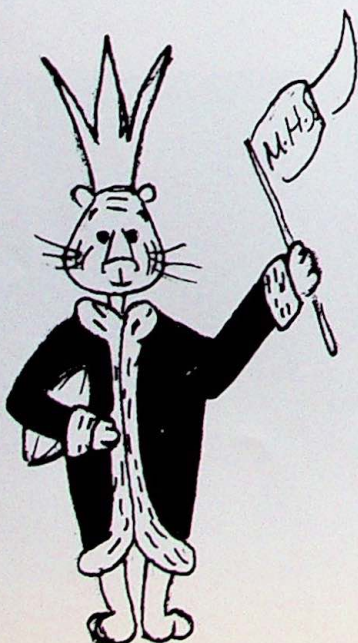

The one Springfield touchdown came in the last quarter, on a run by back Ronald Burton. The conversion was good.

Homecoming Queen

Queen Carol Linton

Queen Carol and her lovely court represented our school at the Annual Homecoming game. Carol was crowned by the retiring queen, Judie Bruce, in an assembly the morning of the game. The assembly was a scene from Tygerland and was sponsored by the Junior Class. The dignity and charm which was representative of Carol's reign will be long remembered.

For the 15th year, the Tygers were coached by the man with the spot without hair in the center of his head, otherwise known as Vern Hoffman.

This year's Tyger basketball team is one of which the school can be justly proud. After a very successful season, fourteen wins out of twenty starts, they added to their laurels by winning the sectional championship at Marion. Then, in the regional tournament at Toledo, with Big George Swank out with a collapsed lung, they lost to Toledo Macomber in a close game.

George Swank led the season scoring with 440 points and a per game average of 19.1. He was followed by Phil Tinkey with 302. Willie Mack had 248, and Dave Jacoby, 229.

Track Queen and Attendants

Judy, Judie, Alice, Toots
Linda

The students at M.H.S. chose Linda Wilson to reign as Queen over the 23rd Mansfield Relays. She received the largest number of votes in a school-wide election. Chosen to serve as her attendants were Eleanor Scholler, Alice Beatty, Judie Bruce and Judy Maxwell.

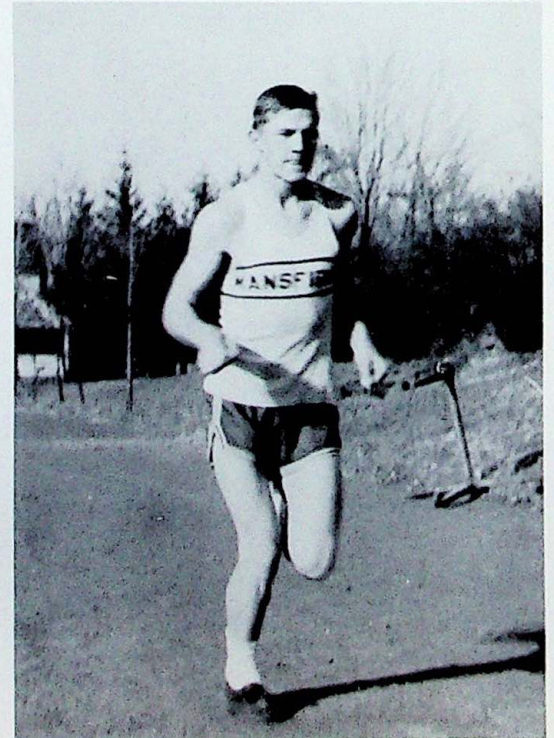

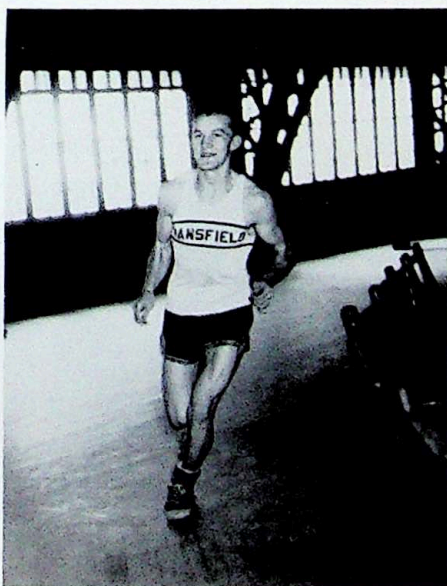

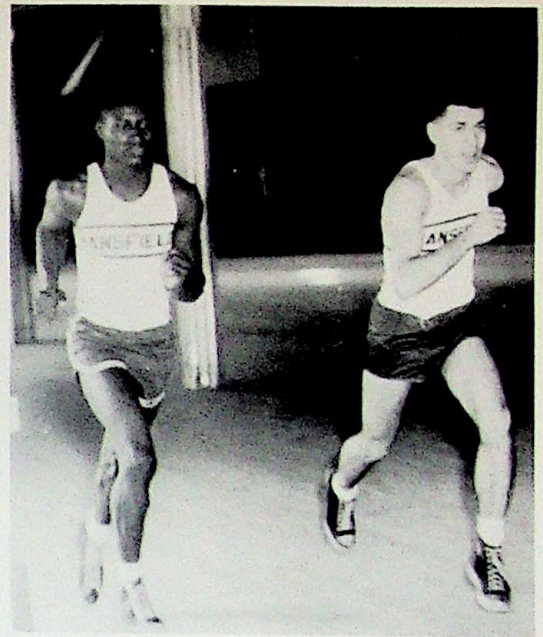

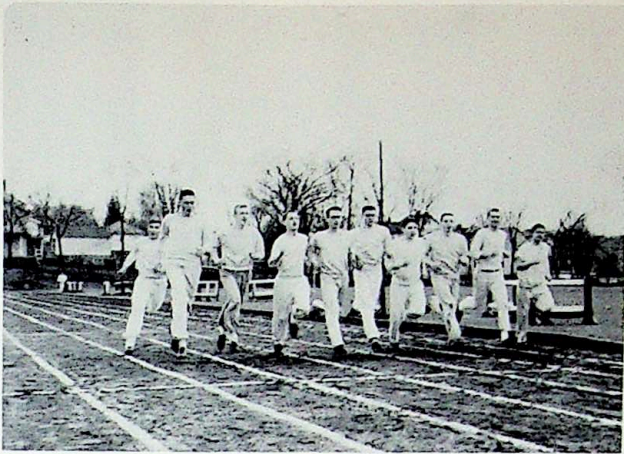

The Mansfield Relays, one of the biggest track events in the United States with almost 1,000 high school students participating, will hold the spotlight for this year's track team.

The Coliseum has been the scene of much activity this spring with Coach Mehock whipping the team into shape while there was still snow on the ground.

With state mile champion Fred James and ace hurdler Ed Avery back, along with a host of other talent, it appears certain that the Tygers will preserve their reputation as one of the finest track teams in the state.

The success and proficiency of the teams were due to an unbeatable combination of natural ability and excellent coaching. Harry Mehock took full advantage of the material he had to work with; and by rigid training and intelligent coaching, turned out track and cross country teams in which we can take great pride.

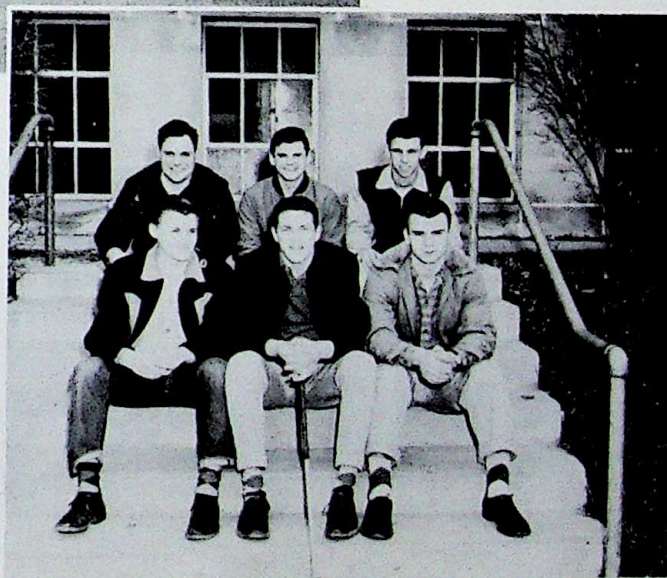

The baseball team, coached by Tom Pierson, has a tough twenty-five game schedule ahead as the Manhigan goes to press. They have chosen Ed Deeds, two-year veteran, to serve as their Captain. We are confident that they will have a successful season,

Although early publication prevents the announcing of any scores, it is expected that the Tennis Team will more than hold their own against any opposition. Coach Bill Peterson is blessed with five returning lettermen: Phil Ford, Jerry Lorentz, Dave Miller, Peter Knight, and Bill Riester.

The Golf Teams, under the direction of Steve Sevok, showed fine prospects for a successful season with four returning lettermen: Bob Rom-jenovich, Harvey Glasgow, Jim Mayer, and Fudge Henkel.

The Girls' Athletic Association is one of the largest organizations in the school. Its purpose is to promote not only an interest in girls' athletics, but also a feeling of friendship, co-operation, and good sportsmanship. Membership is open to all sports-minded girls. To insure active membership, a system of points, earned by participation in activities sponsored by the G.A.A. has been devised.

A varied sports program is set up to cover as many different phases of athletics as possible throughout the year. Five intra-mural tournaments were held this year, including soccer, bowling, volleyball, basketball, and softball. Each Tuesday the swimming pool was open to members for free swim time after school. Varsity volleyball and basketball teams played girls from neighboring towns.

During football season, a pep assembly was presented by G.A.A. members, who also sold refreshments at the basketball games. Three annual social events were again held during the year 1953-54. First was a get-acquainted roller skating party in the fall. At the banquet and dance in February the theme of an "Evening in Paris" was carried out. Awards earned during the year were presented at the picnic in the spring.

The year's program was organized by the able officers: President-Judy Maxwell, secretary-Judie Bruce, treasurer-Toots Scholler, and directed by advisors-Mrs. Mary Martin and Miss Janet Gochenaur.

HISTORY

In the city of Mansfield, Ohio, there are found two provinces, Appleseed and Simpson. High school freshmen are always the ruling class, and they in turn are governed by a president and his cabinet. When the members of the class of '54 were divided in number between the provinces, they were two rival governments, intent upon excelling over each other in basketball, football, and track. Oliver "Pudge" Henkel was president of Appleseed; Paul Park leader of the Simpsonites.

Paul, Pudge, and the people of their provinces looked forward with eagerness to the most important bout of rivalry, the annual football game. As was the tradition, they had the ruling classes select a queen and court of royalty. That evening at Arlin stadium Nancy Hoff reigned for the Simpson orange and white while Majorie Vild presided over Appleseed's maroon and gold.

The game went off as scheduled; Appleseed defeated Simpson. Then basketball season came along and Simpson came up on top and defeated Appleseed. Then, instead of becoming more hostile the inhabitants of the two provinces fraternized more and more. Conditions were so friendly that the two groups decided to merge and form one large country under one leader. That leader was elected very soon after the two countries combined. In fact, sooner than any other in the histories of the other combined provinces of Mansfield Senior High. Our country became known as the MHS class of '54.

The people elected Jack Eliot as president. He was assisted by Dick Yoakam who served as vice-president, Judy Maxwell as secretary, and by Phil Norman who took charge of the treasury. The country also chose a woman of great wisdom to be its prime minister, Mrs. Virginia Imhoff.

Because of the successful merging of two countries, a traditional native dance was given to celebrate. "Dogpatch Dance," as it was called, was given in April of the first year of the merger.

Soon after our country had begun its second year of growth, an election was held to give the people the chance to express their choice of a leader. We re-elected Jack Eliot as president and Dick Yoakam as vice-president. After having waged a successful campaign, Barbara Schaefer was chosen as secretary and Nancy Hoff was placed in charge of all revenue received in the country.

In that year we felt the need of a ruling power to reign at a show of bravery on the athletic field. We nominated several lovely girls and finally selected as our queen, Judie Bruce. She was attended by Judy Maxwell, Delores Milligan, Margie Vild, and Eleanor "Toots" Scholler.

Business was beginning in our little country. The profit motive led us to printing a directory of all the names of all our people and holding an important dance called the "Sweetheart Dance." It was given on the fourteenth of February. Also, the best cooks provided us with some delicious baked goods for a sale to the people of our city.

Then came the year which meant graduation to full-fledged citizenship in the country. We began by re-electing Jack Eliot as president. Serving with him were Charles Morton, vice-president, Barbara Schaefer, secretary, and Paula Weir, treasurer.

Under the direction of these leaders our country grew in wealth, and we initiated several more business institutions in the land. One of the most prominent was our Christmas card and stationary business. However, we could always combine business with pleasure. In February we produced Varsity Varieties, a show with vitality and talent which proved to be a great success in the outlying territories. Later, the month of March found us presenting "Goodbye, My Fancy," a Broadway comedy, for the public on the twenty-fifth and twenty-sixth as our class play. And of course we shall always remember the dances after the games and the thrill of attending the first basketball contest in the Pete Henry Gym.

All these events were reported by the "Hyphonerian," our school newspaper which deserves a considerable amount of merit. It was headed by Mary Boyd and Bill Schettler. We also had a yearbook, the "Manhigan," that recorded faces as well as facts, and Linda Wilson and Judie Bruce directed its publishing.

In March the "Hypho" carried the story of the election of Linda Wilson as queen of the track meets held when several other countries came together to compete with our runners. Her court consisted of Judy Maxwell, Alice Beatty, Judie Bruce, and "Toots" Scholler. In April students read in the "Hypho" of the traditional Easter sunrise service sponsored by we seniors.

The most important event of the year was our graduation. In order to celebrate, we attended a formal dinner and dance on the fourth of June. Commencement was the sixth of June, and on the tenth of June we graduated, garbed in navy and white robes, at Arlin Stadium. It was the first time this stadium had been used for graduation.

For many of us graduation to full citizenship was a sign for settling completely and helping our communities by getting jobs and raising families. For others it meant a push forward toward new frontiers. In looking back, we can say that as a class we enjoyed three happy, successful years of high school. In looking ahead, the future is bright and waiting to be discovered. And we are able to step into this future, confident of a richer life ahead because of the experiences gained from our life at MHS.
